

Creich and Flisk Community Council

Minutes of Meeting held on 4th August 2021

Present

Bernard O'Donnell, Jim Duncan, Bob Arbuckle, Laura Arbuckle, Elspeth Barker, John MacPherson and Andy Heer.

Apologies

Matthew Wilson sent his apologies.

Declarations of Interest

There were no declarations of interest.

Minutes of the last meeting

These were accepted.

Matters Arising

Roads and drainage: The Chairman and Bob had both contacted Fife Council to thank them for the extensive road resurfacing that took place in the area during May.

Correspondence: The Chairman had decided against distributing a copy of the document related to the Establishment of Community Councils. He will summarise it and send it to the Council members.

Action Bernard

20 mph speed limit in Luthrie: Andy has raised this with Fife council and it is currently being considered by the Transportation dept. It will require considerable research to determine traffic flows, speed and signage requirements before a decision can be taken.

Speeding of vehicles in the Flisk area is still a concern. The Chairman will write to the Transportation dept. to advise them of our concerns.

Action Bernard

Luthrie Hall Bench: This is still being progressed.

Action John

Luthrie notice: This is in preparation but care is being taken to ensure it is factual prior to printing and this is taking time. Approximate costs have been obtained.

Action John

Correspondence

The Chairman had received letter from our green Party MP, Mark Ruskell, who is keen to pursue green projects. With no ideas forthcoming it was proposed we write to him asking for suggestions of typical projects he has experienced.

Action Bernard

The latest police report had been received but there were no comments on this.

Correspondence had been received from Luthrie Residents Group that the owners of Carphin were being prosecuted for non-compliance with planning regulations.

Finance report

There was no finance report.

Planning

There were no issues of concern.

Brunton Defibrillator Battery Replacement

A defibrillator was purchased in Brunton about five years ago by a resident. The battery has a five year life and now needs replaced at a cost of £89. Bob was approached by the treasurer of the Brunton Residents association to enquire about funding. This request was put to the meeting and was approved.

Community Event: Queens 70th Jubilee

As this was raised by Ian Purvis, who was not in attendance, a full discussion could not take place. It was considered that this should not be left in abeyance till the next meeting so it was suggested to ascertain how much local interest there would be for something along these lines.

Action Elspeth and Ian

Any Other Business

Nil

Date of Next Meeting – 3rd November 2021 at 7.30pm.
