Any Other Business:

The issue of Luthrie defibrillator training was discussed. This had been due to happen in 2020 but was cancelled due to lockdown. Laura is going to contact Gordon Cuthill about this.

Action Laura

There was a discussion about the lack of gritting done in the recent cold spells and ice over the road on the school bus route. There are also problems with potholes in the area. Residents should report these on the Fife Council website.

The issue of short term let licences was raised. There is only one current application in the area which is at 3 Balhelvie Farm Cottages. There was no objection to this.
