Minutes of Meeting held on 3rd May 2023

Present

Bernard O'Donnell, Ian Purvis, Laura Arbuckle, Kathleen Lawrie and Donald Lothian.

Apologies

Elspeth Barker, John MacPherson and Matthew Wilson sent their apologies.

Declarations of Interest

No declarations were made.

Agenda

The agenda was distributed with no additions to it.

Matters Arising

20 mph speed limit in Luthrie: There's still an issue with speeding traffic but Fife Council don't have any imminent plans to change the speed limit due to Scottish Government potential changes in legislation.

Email address for the Community Council: Bernard to email Matthew regarding the emails from planning, community police, etc.

Action Bernard

Flooding: Elspeth had emailed Bernard to let the Community Council know that cameras have been surveying the inside of the culvert and a flood group has been set up for Luthrie and Brunton.

Speeding on the Wynd: This is still a problem with Carphin House guests and delivery drivers.

Defibrillator training: Gordon Cuthill has taken a list of people interested in training. This has to happen in the near future. Laura to contact Gordon about this.

Action Laura

Correspondence: Cupar Development Trust sent an email to let the Community Council know about their development plan.

Finance: The bank balance is £1,042.60. We need to spend roughly £300 to qualify for Fife Council's grant.

Planning: Not aware of anything.

Any Other Business:

Community Council elections are coming up in September. We've to raise awareness in Luthrie and Brunton about these and try to encourage new people to join the Community Council. It was suggested we could be flexible about dates and times to suit new members. Bernard to email Brunton folk and Kathleen and Laura to speak to Luthrie residents.

Action Bernard, Kathleen and Laura

There was a discussion about the lack of gritting done during the winter and ice over the road on the school bus route. Donald Lothain said he would assist with this matter this coming winter for both the Dunbog and Bell Baxter school bus routes.

Action Donald

Donald Lothian had been contacted by a Broomhill resident about the large heavy traffic, often going fast, up and down Broomhill. This is mainly tractors and lorries.

Future Meeting Dates

Meetings will be held as follows:

2nd August and 1st November 2023.
