

## **Sub- group report to CC meeting on 5.6.2024**

The sub-group's last meeting minutes (15.2024) have been circulated to the CC.

Also circulated to the Committee have been:

- a) the Draft Consent Form for volunteers and
- b) a Draft Response to the SEPA 2024 Public Consultation.

Fife Council's Lead Consultant, Flooding, Shoreline and Harbours, has recently left. A joint meeting with a Scottish Flood Forum representative and his replacement is to be arranged as soon as possible to confirm next steps.

A council representative has again been out to look at the garden area requiring restoration.

Ongoing is:

- a) an update on house and landowner resilience measures
- b) research into culvert survey and repair costs.
